

## BUSH PRAIRIE FARM NEWS 9/24/15

### From the Farm

This week, we harvested potatoes for your box and for storage and we started harvesting the winter squash crop. We are rolling up the agribond—a thin white protective cover we use on several crops and putting it away for the season. We are cleaning out garden areas no longer in use and planting clover as a cover crop to replace nitrogen. The birds love this!

### What's in the Box

Red Fingerling Potatoes	Sweet peppers	Tomatillos
Tomatoes	Hot peppers	Green/Wax Beans
Basil	Carrots	Red Leaf Lettuce (regular size box)
Red Onion	Broccoli	Romaine Lettuce
Alyssa Craig Dry Onions	Zucchini	Butter Crunch Lettuce
