

BUSH PRAIRIE FARM NEWS 10/20/2016

From the Farm

This is the LAST box! Sigh....it went so fast. Thank you for making our 6th season a success. We are grateful for your participation and honored to be a part of your lives through the common bond of good food. Look for a survey in the next couple of weeks—we value your input in helping us improve our CSA and our service to you. We will continue working on the long process of removing the development rights from this property so it will be a farm forever. Next for us is a post-farm season vacation and a little winter rest. Wishing you well through the winter.
